Enjoy the beach view from Eagle Beach with its white sand to Palm Beach high rise hotel area. Enter into this penthouse and be amazed by the view and the designer decoration with attention to details. Brown and metallic fully equipped kitchen, a private dining space with 180 degrees view of the ocean, and a living room with a 65" TV so you watch the game and the beautiful turquoise blue water at the same time. All in one open space with high ceilings for a feeling of loftiness. Additionally, there is a full bathroom on this main level so even guests sleeping on the sofa bed in the living area have privacy and access to their own bathroom. Wouldn't you wish to have this as your own vacation home? On the lower level you will go through a wood stair and beautiful pictures on a faux industrial style exposed concrete. All bedrooms are located on the lower floor, each one with its own private bathroom. Master bedroom with a king-size bed and private balcony, also a relaxing chair and a tremendous view of the ocean, additionally a desk for those who still need to check in on work. Energize and inspire yourself in the second bedroom, with a large-scale floral wallpaper and an outstanding queen-size bed that also has ocean view. Third bedroom with two double beds with a
