Office for rent Oranjestad

Location: Oranjestad

Price: 1966 USD

Looking for a commercial space for your business? This newly renovated commercial building is one street behind the Coral Shell Condos along the main road of the boulevard. It offers a great opportunity for your business. The location has easy quick access to and from the main road. It's a concept that there will be a front desk lobby area that can be shared between the tenants as needed. One side is occupied by a Psychologist and we are looking for mind-let companies that can complement each other in the wellness industry. It can be rented as 1 full area of 77m2 with 3 offices or as 3 separate offices with a shared common area.
